Dear Parents and Friends of Glenbard West,

The **Glenbard West Boosters** would like to welcome you to the 2011-2012 school year. Great high schools are significantly enhanced by the involvement and support of the entire community. One of the best ways to assist our community high school is to join the Glenbard West Boosters. Here are some facts about the Boosters:

- Membership revenues totaled about 40% of our revenue last year
- West is the only D87 school to provide financial assistance to academic, athletic, and extra-curricular activities raising about \$130,000 annually
- Activity pass provides admission to most district wide music and sporting events

Your support of our high school will assist in continuing the *Pride, Tradition and Excellence* that are the hallmarks of Glenbard West High School. We look forward to another great year and our sincere hope is that the entire community takes advantage of all Glenbard West has to offer! To learn more please visit: www.gwboosters.com

Sincerely,

Kim and Steve Lutz
